To whom it may concern,

This letter of recommendation certifies that the MK Fencing Academy is a member of the UAE Fencing Federation since 2005. The Academy has been actively contributing to the development of the Olympic sport of Fencing in UAE by promoting the sport, providing professional and innovative coaching with high international standard, organizing national and international events, workshops and camps for coaches and fencers.

MK Fencing Academy is also an official fencing centre of excellence and it is responsible for coaching of UAE national and expatriates fencers. The Academy founders Mihail Kouzev and Maria Kouzeva are part of the UAE Fencing Federation Technical Committee and support towards the further development of the sport in the region.

MK Fencing Academy has been not only a key organization with regards to the success of the fencing popularization in the region, but also the vital driving force for the development and implementation of sportive educational practices with focus on youth engagement and empowerment.
